

Generation Google Scholarship

Scholarship Description

While continuing to break down barriers by inspiring and helping students to become the future of the technology industry, Google established the Generation Google scholarship in order to fund study abroad for American and Canadian students who aspire to become *the* best computer scientists of their generation. This award is open to all current high school seniors and university students from Canada and the U.S.

Selected students will receive \$10,000 USD (for those studying in the US) or \$5,000 CAD (for those studying in Canada).

To be eligible to apply, applicants must:

- Intend to be enrolled in or accepted as a full-time student in a Bachelors, Masters, or PhD program at an accredited university or college in the United States or Canada for the upcoming academic year
- Be studying computer science, computer engineering, or a closely related technical field
- Demonstrate a strong academic record
- Demonstrate financial need
- Exemplify leadership and demonstrate passion for improving representation of underrepresented groups in computer science and technology
