

Christie Dennis - Oneforce Academy Secretary

Christie L. Dennis is a dedicated coach, implementation consultant, and family-centered leader committed to helping individuals and organizations thrive. Born and raised in Sumter, South Carolina, she brings a strong foundation of community values and professional excellence to her work in guiding organizations through the successful implementation of supplemental health plans. Her approach ensures solutions are delivered with precision, care, and meaningful impact.

Beyond her consulting expertise, Christie is deeply invested in youth development and mentorship. She actively coaches and supports young athletes, instilling core values such as teamwork, resilience, discipline, and purpose—principles she believes are essential both in sports and in life. Her leadership style is rooted in service, integrity, and a genuine commitment to helping others grow and succeed.

Christie's mission is centered on strengthening families, building healthier communities, and empowering future generations to reach their fullest potential. Through her work and mentorship, she continues to create lasting impact that extends well beyond the organizations and individuals she serves.
